

Materials Safety Data Sheet

July 1, 2010

I. General Information				
Chemical Name and Synonyms Mixture		Trade Name & Synonyms masonRE Adhesive		
Chemical Family N/A		Formula Powder		
Proper DOT Shipping Name Not Regulated		DOT Hazard Classification N/A		
Manufactured for: Cathedral Stone Products		Information Phone Number (410) 782-9150		
Address 7266 Park Circle Drive Hanover, Maryland 21076		Emergency Contact Number (800)424-9300 (Chemtrec)		
II. Ingredients				
Principal Component	CAS #	Percent	OSHA PEL	ACGIH TLV
Cement	N/A	95-99	N/A	N/A
Non-hazardous flow agent	N/A	1-5	N/A	N/A
III. Physical Data				
Boiling Point: N/A		Specific Gravity: N/A		
Vapor Pressure: N/A		Percent VOC: 0		
Solubility in Water: Very little		Evaporation Rate: N/A		
Appearance: Gray Powder		pH: N/A		
Odor: Slight; inoffensive odor				
IV. Fire & Explosion Hazard Data				
Flash Point: None		Autoignition Temperature: None		
Flammable Limits: None		LEL: N/A UEL: N/A		
Extinguishing Media: This material is not combustible. Use media approved for the surrounding fire				
Special Fire Fighting Procedures: Use appropriate fire fighting procedures for surrounding fire.				
Unusual Fire & Explosion Hazards: None				
V. Health Hazard Data				
OSHA Permissible Exposure Limit See Section II		ACGIH Threshold Limit Value See Section II		
Primary Routes of Entry: Eye, skin, inhalation, ingestion				
First Aid: Inhalation: Inhalation of the product causes irritation to the respiratory system take the affected person outside to breathe fresh air. Eye Contact: If eye contact occurs wash with water for 15 minutes and seek medical attention if needed. Skin: Wash with soap and water. If irritation persists call a physician. Ingestion: Do not induce vomiting. Call a physician or Poison Control Center.				

IV. Reactivity Data

Stability:

Product is stable under normal working conditions.

Incompatibility:

Avoid storage with acids, reactive metals and ammonium salts

Polymerization Warning:

Polymerization will not occur

VII. Environmental Protection Procedures

Spill Response

Wear appropriate protective clothing and equipment. Dike and collect the spill with an inert absorbent material. Place into a closable container for disposal. Prevent spill from entering sewer or waterways. Wash spill area with water.

Waste Disposal Method

Dispose of in accordance with all state, local and federal regulations.

Eye Protection

Wear chemical safety goggles to prevent eye contact

Skin Protection

Neoprene, nitrile or butyl rubber gloves can prevent skin contact if needed

Respiratory Protection

Use an NIOSH approved organic vapor respirator with particulate pre-filter if needed

Ventilation Recommendation

Use in a well ventilated area. If exposure limits are excessive local exhaust may be required

IX. Special Precautions

Store in a cool dry place.
