3/21/16**

**HEAD: Extech Adds Cathedral Stone's Full Line of  
Masonry Restoration Systems**

**COPY:** Cathedral Stone is proud to announce our new partnership with Extech Building Materials. They will be adding our completely integrated line of JAHN masonry restoration mortars and grouts as well as our cleaning, stripping, coating, and repellent systems to their product offerings starting in April 2016.

Based in Long Island City, N.Y. with branches in Brooklyn, NY; Newark, NJ; Farmingdale, NJ; and Closter, NJ. Extech is one of the tri-state's fastest growing masonry supply companies. We're pleased to welcome them to our growing family of more than 20 distributors. For more information on Extech Building Materials visit [extechbuilding.com](http://extechbuilding.com) or call 718-786-2288.
