Training Class Cancellation Policy

Cathedral Stone Products, Inc. reserves the right to cancel Jahn Certification Training Classes due to inclement weather resulting in hazardous travel conditions or insufficient attendees. In the event of inclement weather or insufficient attendees, the class may be postponed until the next scheduled class date. We will make every effort to contact registrants if any changes occur.

If a student needs to cancel, for any reason, up to 5 business days prior to class start date, a 100% refund can be expected. A 50% refund can be expected to anyone cancelling less than 5 business days prior to class start date. Any cancellations after class start date or no-shows, a refund will not be issued, but a place can be reserved for a future class.
